

Recreation Board Members from a wide area are shown above in one of the discussion groups at Camp He-Ho-Ha last weekend.

Recreation Leaders Meet For Weekend Workshop

Camp Hi-Ho-Ha on Lake Isle was an ideal setting for a two-day workshop session of recreation leaders last weekend.

Representatives of Area 6 of the West Central Region came from as far as Hinton, Fort Assiniboine and Two Hills to take part in the session sponsored by the Provincial Department of Youth and Culture.

Thirty-two of those present were members of recreation boards, while 100 more were community leaders intent on brushing up on arts and crafts to be offered in their own communities.

Instructors for the courses came from the Department of Youth, Department of Agriculture, District Home Economist and the City of Edmonton Parks and Recreation Branch. Among the subjects discussed and practiced were macrame, physical education, leathercraft, elementary arts and crafts, basic dressmaking and play school instructing.

The live-in course started Friday afternoon and ran through Sunday.

For recreation board members the conference was a one-weekend affair, however, the community leaders will be back in two weeks time for another session to complete the training program.

Ministers to Visit Friday

Two cabinet ministers will be in Drayton Valley on Friday, October 22nd for a first-hand view of the Brazeau Dam situation.

M.L.A. Rusty Zander of Tomahawk stated recently that William Yurko, Minister of Environment, and Allen Warrack, Minister of Lands and Forests, will meet concerned residents at the Drayton Valley Hotel at noon, prior to a visit to the dam.

After discussions at the hotel the party will visit the dam and then fly over it for a air view.

APPLE DRIVE

Drayton Valley residents are reminded of the Apple Drive planned for Saturday, October 23rd by the Cubs and Scouts. The boys will be out on the job at 10:00 a.m.

Community recreation leaders are shown here working on macrame projects at last weekend's recreation workshop at Camp He-Ho-Ha.

No Change in Strike Situation

Marathon negotiations between the North Central (West) School Authorities Association and representatives of teachers in the area, had still failed to resolve the impasse at our press deadline Monday.

A news blackout has been placed on the meetings, but unofficial word indicates little progress.

Eight hundred and fifty teachers in the eight school districts rep-

resented by N.C.(W) S.A.A. have been on strike since 12:01 a.m. on Friday, October 8th.

Fifty-four schools and over 20,000 students are affected by the strike. In the County of Parkland 277 teachers and nearly 6,000 students are out of school.

Complete summary of clauses in the agreement under discussion is printed on pages 20 and 21 of this issue. It should be noted, however, that with the blackout on continuing negotiations, portions of the agreement could be resolved or changed by the time the paper is in print.

Legion Announces Essay Competition

The Drayton Valley Branch of the Royal Canadian Legion is offering students the opportunity of winning prizes in an annual literary composition contest.

The competition is in two categories, for high school students and those in grades 7 and 8. Prizes at the branch level for each of the categories are \$10.00 first and \$5.00 second for both essays and poems.

Winners at the local level may go on to district, provincial and

national finals. National winners receive trips to Ottawa as well as cash prizes.

The Drayton Valley competition is open to students of local and Lodgepole Schools. High school students taking part are asked to submit an essay of not more than 1,000 words or a poem of 32 lines. The essay for grades 7 and 8 is not more than 500 words, or a poem of 32 lines.

Complete information is presented elsewhere in this paper.

Incumbents Win Council Seats

Four hundred and eighty of Drayton Valley's more than 1,200 eligible voters cast ballots in last Wednesday's Municipal election that saw five incumbents returned to town council for three year terms.

Mayor Lloyd MacLean had been returned earlier by acclamation.

Returned to council were M. Helm, 368 votes; R. Huber, 355; R. Mayhew, 358; R. Smith 380; and Mrs. C. Waugh, 367. Also elected was A. Zubot, 267.

Unsuccessful candidates were K. Machan, 254 and R. McDonald 255.

Voters indicated opposition to Sunday morning minor sports in a referendum that received 179 votes in favor and 291 opposed.

Five Separate School Board Trustees elected were J. Koehm-

stedt, 57; E. Lambert, 63; H. Lemermeier, 59; Mrs. E. McGee 66; and A. Telford, 90. Unsuccessful candidates were G. Comeau, 36; A. Malloy, 44; F. Novosel, 44; and D. Reid, 30.

In the public school trustee's poll, incumbent Jack Tyler was defeated by C. Krabbe, 207 to 160.

Elected to the Hospital Board were H. Cathrea, 286; W. Johnson, 308; and D. McKenzie, 406. Unsuccessful candidate was H. Debby with 267 votes.

Inaugural meeting of Town Council will be held on Monday, October 25th for induction of members and organization for the ensuing term.

Drayton Valley Census Count Up to 3,916

Latest bulletin by Statistics Canada with results of the 1971 census shows a number of western points with population gains over the 1966 counts.

Calmar is up to 803 from 600; Drayton Valley, 3916 from 3,352; Edson, 3,817 from 3,788; Hinton 4,916 from 4,307; Leduc, 3,994 from 2,856; and Sangudo, 358 from 314.

Showing trends in the opposite direction were Rimley, down to 1,453 from 1,502 in 1966 and Wildwood, down from 403 to 382.

Senior Citizens Plan Social

The Drayton Valley Senior Citizens Club has announced plans for a Basket Social to be held in the Elks Hall on Friday, November 12th.

The evening will feature a Basket Auction following by old time music by Edwin Ericksson and the "Skandatones."

F.G.A. to Fight County Gun Bylaw

The pot is still boiling locally over the County of Parkland's proposal to introduce legislation governing firearms in the area.

The County Council advertised its intention of proceeding with the by-law in order to determine the feeling of residents. County Reeve Les Miller observed recently that response has been heavy with support for both sides of the issue.

County Councillor Ivan Vowk, closest to Drayton Valley where the opposition is strong and vocal, said Saturday he is getting a considerable amount of feed back on the proposal. Fish and Game Association President Rusty Kirkup of Drayton Valley noted that, "his telephone ear was almost worn off last week."

Mr. Kirkup also said this week that if the County Council proceeded with the legislation his Association would test it in court.

The Alberta Fish and Game Association, representing all

branches in the province, also entered the debate last week with a letter from Secretary Manager P. L. Morck to the County Council.

After pointing out the association's objections to the proposed by-law, he said, "the Municipal Act of Alberta gives your county the right to have no shooting areas and this law applies to everyone and to all type of firearms. If you should pass your By-law, we will do everything in our power to make sure that it is executed to the full extent of the law, where even a farmer can't shoot to protect his life or property, whether it be at wildlife or another human being. The county of Strathcona has such an area around the heavily populated outer fringe of the city of Edmonton. We see no problem with this type of arrangement. But a complete ban throughout the county is purely uncalled for."

TOMAHAWK NEWS

A bridal shower was held on September 18th for Donna Jouan (now Mrs. French), second daughter of Mr. and Mrs. Emil Jouan at Marion Jouan's. Approximately fifty ladies were present.

The room was marvelously decorated as a "Flower Garden". Flowers were donated by Alma Reich and Mrs. Pryor.

Mrs. Edna Goertz and her girls were in charge of the fun time with games and contests. The gifts were then opened and a delicious lunch was served.

Gloria Jouan made and decorated a "Double Ring" shower cake passed around by Donna.

The Tomahawk Women of Uniform met at Edna Goertz's home on October 7th. Eight members were present. The Uniform Women are holding a separate convention in Edmonton November 9th and 10th but due to the small attendance plans for attending delegates were tabled till the next meeting, which is to be held November 4th at Olive Cases, with Dorothy Wedman co-hostess.

There will be a demonstration on knitting machines at the meet-

ing. They are sending a \$25.00 donation to the Christmas Seal Campaign. Kathy Smith's birthday raffle netted \$1.50.

The Tomahawk and District Club had its monthly meeting on Monday, October 11th at the Recreation Centre. There was a good attendance.

It was decided to have a Sports Banquet in the spring after hockey is finished and before the ball season starts. It will be in honor of all hockey players and ball players in the Tomahawk area.

Tenders for caretaker of the skating rink are being posted, to be in by November 1st. The club has decided to buy one of the trophies for the PeeWee 4-H members.

A "Social Evening" was planned. It is to be held on November 20th "Tex and His Wanderer's" are to supply the music.

The Firemen also had their monthly meeting this week, Wednesday, October 13th at the fire hall. They too, are buying a trophy for the PeeWee 4-H members. The firemen are making plans for a "Fireman's Christmas Party" on December 4th.

Another coming event is the annual 4-H Beef Banquet on Friday, October 29th. Hope a good crowd will support our 4-H'ers. The 4-H Beef re-organization meeting will be November 2nd at the Recreation Centre.

Mrs. Marion Jouan enjoyed the Thanksgiving weekend when she and her niece, Lois Whightman visited her mother, Mrs. Charlotte Campbell at Neilburg, Saskatchewan.

Several of the Tomahawk boys enjoyed a week of hockey camp at Drayton Valley. Tomahawk has a PeeWee team so anyone who has a son who wishes to play please contact Bill Dunbar or Ben Harrison who are the coaches.

Since there won't be any other hockey teams in Tomahawk this winter, anyone interested in playing will have to make inquiries on playing with the Drayton Valley teams.

Immanuel Lutheran Church received a thorough cleaning from stem to stem. Thanks to all the ladies who helped and a job well done.

Evelyn Lukaniuk and Gloria Jouan spent October 13th and 14th at Stony Plain taking a sewing course on how to make lingerie and found it very interesting and inexpensive to make. Anyone interested in any type of sewing course please phone either party. Mrs. Pryor was also there weaving a clothes hamper.

Last Saturday evening, October 9th was a very special event

Survey Shows Weeklies Good Info Source

Country elevator managers and weekly newspapers, farm magazines and agricultural bulletins are regarded by most farmers as the most useful source of information about the latest agricultural developments and about farming operations.

This information was recently revealed when the Alberta Wheat Pool asked a random sampling of farm people their opinions about information sources.

Respondents to the survey were asked to indicate which sources were "very useful" "sometimes useful" and "rarely useful". The following categories were described as "very," "sometime," and "rarely" useful, respectively: Radio, 47%, 44%, 8%; Television, 30% 48%, 22%; Publications described above, 51%, 45%, 4%; Wheat Pool Budget, 36%, 39%, 25%; Daily Press, 25%, 50%, 25%; Meetings, 31%, 44%, 25%; Elevator Manager, 50%, 40%, 10%; District Agriculturist, 43%, 38%, 18%; other sources, 25%, 43%, 32%; Pool Public Relations Representatives, 22%, 43%, 35%.

Mrs. Frances Lainchbury has taken a suite in downtown Vernon for the winter. Don't forget to come home in the spring, Mrs. Lainchbury.

Mr. and Mrs. Fredrick Dressler, of Hay River, spent Thanksgiving weekend with Mrs. Elsie Dressler, Mr. Dressler's mother.

Randy and Wayne Gauthier, of Fort McMurray, stayed with their grandparents, Mr. and Mrs. Robert Johnson, while their parents were on holiday up to Prince George. The Gauthiers were ac-

companied by Mr. Gauthier's parents from Plamondon.

Mrs. Andrew Johnson, formerly of Drayton Valley, was in town briefly last week. The Johnsons live in Vernon, B.C.

Corporal and Mrs. Charles Wilson, of Halifax, have been visiting the Fred Wilsons. Corporal Wilson is with the deep sea diving detachment of the Canadian Navy. He has some very interesting film on the salvage work of the Arrow. It will be remembered that the Arrow hit on a rock while entering Chedabucto Bay and spilled a quantity of oil.

On Sunday a Wilson re-union was held at the home of Mr. and Mrs. John Mikulin. It is the first time in years that the Wilsons have had their family together at one time. Mr. Alfred Madsen has been

ordered by his doctor to take a complete rest. We hope you are being an obedient patient, Mr. Madsen.

At the Y O Bar Ranch, near Lodgepole, a young horse is suffering from rifle shot wounds presumably the work of a careless hunter. The McKinleys, owner of the Y O Bar, are rather at a loss to understand how the mistake could have occurred. The horse doesn't have horns.

Mr. Arthur Smith, of Ampryor, Ontario, visited with his brother-in-law and sister, Mrs. and Mrs. Robert MacMillan for a week. During the Thanksgiving weekend the trio went to the mountains and were fortunate to have a fine view of Mount Robson to impress the Eastern visitor.

BUCK CREEK NEWS

Mr. and Mrs. George Clark who lived east of Buck Creek and now live in Victoria, B. C. lost their six year old son who was struck by a logging truck.

The next regular Community Club meeting will be Thursday the 21st at Mrs. Gailey's home.

Several ladies of the community held a shower for Gail Martin Sunday evening at the hall. A big thank you to all who helped to make it a success.

Mr. and Mrs. Frank Saybel and boys were overnight visitors Friday at the MacDonald home.

Mr. and Mrs. Malvin Krinke, Mr. and Mrs. Frank Jackson and Louise and Ramona were weekend visitors at the Whittaker home.

Several people celebrated birthdays last week. On Norma MacDonald's special day unexpected guests arrived, Mr. and Mrs. Jack Torrence of Campbell River, B.C. Mrs. Torrence taught school here

in the log school house 34 years ago. They arrived in time for birthday cake and coffee. I would like to thank all my friends for three parties and making my 39th one to remember always. Funny we were all 39.

Mr. and Mrs. Allen Dunlop of Sherwood Park visited the MacDonald home on Sunday.

Ethel Hallgren and children visited the Oberg home on Sunday. Also visiting was Mr. George Loomis who just returned from a trip to Revelstoke, B. C.

Sorry to report Mrs. Leeder has been a patient in the Drayton Valley Hospital.

Mrs. Hauser is much better and back to teaching again.

The Sunday School lessons arrived in time for last Sunday and the children were placed in classes. There were enough teachers and a few adults to spare so a Bible Study class was started also. Anyone interested, the time is 10:30 Sunday morning at the hall. I have Mrs. Sieben and Mrs. Mailen's O.K. to ask permission to use the school hallway so before long we hope to be where it is warm for the winter.

Mr. and Mrs. Joe Kiland of Saskatoon were visitors at Mr. and Mrs. Ben Regenwetter's last week.

Mrs. Mandy Malainay was a visitor at the Whittaker home Thanksgiving day.

Teachers' Strike Here Setting Provincial Pace?

Parents throughout the area are feeling concern for children's education as the teachers' strike enters its second week. If the strike continues much longer there is a possibility that many children will be unable to recover the lost ground and the dispute could cost them dearly.

With similar disputes boiling and about to erupt in a number of other areas where school boards have organized bargaining units, it seems obvious now that we are witnessing a power struggle between the A.T.A. and member boards. Teachers and trustees apparently embarked on a collision course when the school boards began organizing.

It appears that teachers' locals in other areas are closely following events in the N.C.(W.)S.A.A. -- this district could set the pace for settlements throughout the province -- making it doubly important that negotiating members guarantee a firm hold on the education reins.

It seems some sort of truce is required on the controversial consultation clause and then both sides could get down to a give-and-take solution of other areas in dispute.

Remembrance... Something for All

There's something for everybody in Remembrance if one cares to look. Even the 60% of the population who have little recollection of World War II can draw something from the new concept of Remembrance.

This year's Remembrance theme is: "If you can't Remember...think!" If you can't remember war, think of the peace and what you are contributing as a citizen.

Some, the next-of-kin of the war dead, will of course see other things in Remembrance. So will veterans who lost friends in war. And for a few, it may even be an ego trip. But most of the war generation have very personal feelings about Remembrance, and with a bit of application the post-war generations can also find something very personal in this day.

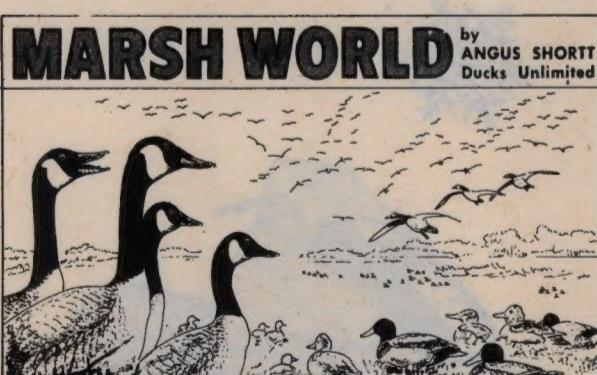

There is no day in the calendar upon which Canadians stop and assess their performance as citizens. Last year the Quebec crises dramatized two facts: we could lose this country by default, and many of us are indifferent citizens.

Citizenship and understanding is what it's all about. Some 114,000 young Canadians died to give us the opportunity to develop both.

Remembrance seems a logical time to look at ourselves and ask: "Are we blowing it?" "If you can't Remember...think!"

"That's the same dress her mother always wore!"

REFUGES AND SANCTUARIES

Along the major waterfowl migration flyways, refuges and sanctuaries have been established to provide rest, food and water during spring and fall flights. Some are staging areas where the birds stop-over before continuing their journeys, others provide permanent wintering grounds. Among some of the better known are: The Jack Miner Sanctuary at Kingsville, Ont., East Meadows near Oak Point, Man., Wascana at Regina, Sask., Ministik Lake near Edmonton, Alta., and the Reifel Refuge at Vancouver, B.C. In the U.S. there are many including Silver Lake, Rochester, Minn., Devils Lake, S.D., Bear River, Utah, Crescent Lake, Nebraska, Mark Twain, Illinois, Squaw Creek Mo., Horicon Marsh, N.Y., and Aransas Refuge in Texas.

LETTERS

TO THE
EDITOR

The Editor,
The Western Review,
Drayton Valley, Alberta

Dear Sir:

After much discussion with members of the public and with the participating Council on the proposed By-Law prohibiting the discharging of guns and other firearms throughout the whole of the County of Parkland from roads, road allowances and on private property without the written consent of the owner, I would like to comment as follows.

The roads and road allowances in question are roads belonging to the County of Parkland, but, how many of the people who hunt in the area, which is the County of Parkland, can tell where the County roads cease and the private roads begin. In the Minutes of the last regular County Council meeting it was stated "It was agreed that notice be given of intention of Council to pass a By-Law prohibiting the discharging of guns and other firearms throughout the whole of the County with certain exceptions to be designated in the By-Law". This last statement omits the part of the previous proposed By-Law published

designating roads, road allowances and private property and to me it reads that they are trying to ban hunting in the whole of the County as stated with exceptions but if this By-Law is passed the exceptions could be as small as one acre of land in the whole County.

I think before the Council should attempt to pass such a By-Law it should state precisely the areas involved.

Regarding protection of Land-owners to quote a letter from Paul Morck, Secretary-Manager of the Alberta Fish & Game Association.

"The Alberta Fish and Game Association lobbied and was successful in having the following programs initiated for the benefit of the land owner and for the sportsmen:

"(a) The Wildlife Damage Fund where sportsmen pay in a fee to compensate farmers for wildlife damage.

"(b) The Livestock Indemnity Fund to compensate farmers for livestock damage caused by the irresponsibility of vandals.

"(c) The Alberta Hunter Training Program to train and upgrade hunters. Our Association still demands that this program be made compulsory but this request continues to fall upon deaf ears. Our members are willing as in the past to teach this program to educate the irresponsible."

The Petty Trespass Act of the province of Alberta gives the individual land owner all the necessary teeth to prosecute a trespasser on his land.

This Association has available for any land owner who so desires "Hunting with Permission Only" signs, which we distribute free of charge to those who so desire.

Yours Faithfully,
R. Kirkup,
President.

Saturday, October 16th and ended with a banquet and presentation of Awards in the Lindale School in the evening.

Trophy awards were made to Lynne Martin, 1st in spring competition, 1st in judging and record books; Leeann Johnston, 1st in fall junior competition; and Nancy Bjeau, 1st in fall senior competition, and 1st in showmanship and grooming.

Chairman of the banquet was Nancy Bjeau who introduced the head table. Guest speaker was Mr. David Ellis who was introduced by Heather Robb.

Mr. Ellis, a former member of the Breton 4-H Multi-Club, spoke on the subject of changes in agriculture and the challenges of the future.

Mr. Doug Maschmeyer of Bruderheim was the judge for the achievement day and offered a few remarks during the banquet activities.

A highlight of the trophy awards was the presentation of a gift in appreciation for his efforts to Club Leader, Mr. Tom Martin. Mr. Martin has been the club leader for the past 13 years.

BRIGHTWOOD NEWS

Chatty and Gordon McEachern spent the Thanksgiving weekend in Jasper where their son Victor and his family live. Their son, Chester, and his family of Drayton Valley and daughter, Faye and her family of Drayton Valley were also in Jasper. They had some anxious moments when five year old Patricia got separated from two older hiking cousins and did not return when they did. With only an hour until dark a frantic search found the girl - she had followed a trail which led her out of the woods to a distant neighbor's place.

Mr. and Mrs. Martin Drewes of Moon Lake and Mr. and Mrs. Albert Lalonde are pleased to announce the arrival of a brand new granddaughter, Tina Marie Catherine, daughter of Mr. and Mrs. Dewey Drewes of Edmonton.

Bonnette Lalonde celebrated her seventh birthday on October 12th.

Mr. and Mrs. Jens Iversen are pleased to announce the arrival of a son recently - a new brother for Eleanor, Sherry and Hans.

A family gathering in the Nels Andersen home on Thanksgiving included Mary Andersen of Vancouver and son Lorne and wife Florrie and son Charles Lorne of Evansburg. The occasion was also the first birthday of Charles Lorne.

COUNTY OF PARKLAND NO. 31 APPLICATIONS FOR SCHOOL BUS OPERATION

The School Committee of the County of Parkland No. 31 invites applications for School Bus operation.

The successful applicant will be required to purchase, from the County, a 1969 - G.M.C. - 48 passenger school bus in fairly good condition for the sum of \$6,050.00.

The route to be serviced is directly west of Stony Plain. The daily mileage travelled is about 48 and the route pays \$27.00 per day. This is the route presently serviced by Mr. Ed. Glubish of Stony Plain and the School Bus number is 307.

Applicants must have a Class "2" Alberta Operator's License and must possess a reputable character and a good driving record.

Applications, together with names of at least two reliable references, number of School Bus applying for and a copy of an abstract of driving record, should be submitted to the County Office in Stony Plain not later than 11:00 a.m. on Wednesday, October 27, 1971. Application forms may be obtained from the County Office in Stony Plain upon request. For further information, please contact Mr. Ken J. Dew at the County Office. The School Committee reserves the right to accept or reject any application.

in Red Deer on October 14th and October 15th with usual County expenses paid and that Mr. Ivan Vowk act as alternate in the event that one of the foregoing cannot attend.

INTERVIEW WITH MR. H. M. GRANDE

Mr. H. M. Grande came to see the School Committee regarding repayment of legal costs in the recent court case regarding the Evansburg High School. The amount owing is \$1,077.85 and the plaintiffs would like to be able to repay this at \$100.00 per month. They would also like the removal of any caveats that may have been placed against the properties of the individual plaintiffs. It was further explained to the School Committee that the total bill for the suit to the County is \$3,104.97 of which \$1,077.85 is recoverable from the plaintiffs which leaves a cost of \$2,027.12 to the electors. This does not include the cost of School Committee members, the Superintendent discovery consultations and 3 days in court.

It was moved and carried that Mr. H. M. Grande's request for time to pay the court costs of \$1,077.85 in instalments be not granted.

Mr. J. W. Tyler, Mr. R. Zander and Mr. Peter Bakker now left the meeting.

It was moved and carried that the purchase of the new 1971 Chevrolet 54 passenger school bus and the advertising of Route No. 205 be approved.

SCHOOL BUS POLICY

It was agreed that individual School Committee members will study the proposed policy on School Bus Changes and be prepared to finalize policy at the next meeting.

It was moved and carried that the Superintendent's recommendation on the sale of materials no longer required be accepted.

It was moved and carried that it be recommended to the Department of Education that the tender of Trans-Alta Construction in the sum of \$293,970.00 for the Winterburn addition be accepted

and that the sum of \$13,460.00 be provided from current revenue.

INFORMATION OFFICER

It was moved and carried that Mr. M. Holman be appointed as Information Officer for the School Committee and that all communications pertaining to the teacher strike be channelled through this office.

HART CANTELON

Readers wishing to write to Mr. Cantelon are invited to do so. All letters to be forwarded to Hart Counselling Services Ltd., 1600 Cambridge Building, Edmonton. Please include a stamped self-addressed envelope to ensure a reply.

Dear Mr. Cantelon:
My husband works in the oil-field. He is a good husband, an excellent provider. There are times he must be away overnight or for two or three weeks at a time. During the winter he works long hours in order to accomplish as much as possible while the frost is still in the ground. When spring comes, the work is a bit slow and employees spend much of their time repairing machinery in the central shops. During this period, the boys are all together so once or twice a week, they go and drink beer. Of course the wives are excluded. I realize he needs some relaxation after a strenuous and hard winter's work, but this habit can be very annoying. I feel this is the time when I should be able to go out with him, and have a bit of relaxation myself from the responsibility of the children and the home. His comment is that I have the car, and can go shopping anytime or out with the girls. After he goes out I end up getting very angry and start to cry. This doesn't do any good.

Dear Wife:
I sympathize with you a hundred percent. But, please, don't nag about this. I'm not condoning what your husband is doing, but by being on his back all the time about this can drive him into increasing the number of times he does this, and thus increasing his consumption of liquor. Try to make a deal with him, that every time he goes out with the boys, he set aside a time to take you out. See if you can persuade him to set down a schedule where by this happens once a week. If he agrees, you have cut down his evening for drinking by one and given you both an evening out together. Then, make that evening together as pleasant as you can without dragging in any of the issues of pressures you feel as a home-maker and wife. Could be that he finds he has a better time with you than with the boys, and he'll hopefully cut down the night out with the boys to once a month.

Dear Mr. Cantelon:
Hardly anyone is friendly anymore. There was an incident that happened to me. I went to the arena, and knew this girl was there. She was in a very bad mood. She knew that I was always made fun of, at school, and called a lot of names. So she took her anger out on me. We've made up since then, but not like real friends. Almost anywhere I go, I see kids my age or older. They are staring at me. It makes me feel out of place. When kids in my classroom see me, they shout, "Here Comes Grease Mop." Then they run down the hall to get as far away as possible. They lie about me. I hardly have any friends. I feel like I love everybody, but they just don't want to know me. I am 14 years old, and friendless.

Dear Friendless:
I have addressed this letter "Dear Friendless", but you and I know that this just isn't true. It may seem as though nobody cares. Yet there are some who do. Think over the ones you know in your community and at school. There is somebody in that group that is just as lonely as you are, and needs a friend like you do. Don't deal with the gang, but think about ONE person in that group, you'd like to have as a friend. Seek an opportunity to talk to that person on a one-to-one basis without the gang being around. You see, anyone of us can deal with a person-to-person situation, but we can't deal with a gang. There is always someone in a gang who starts the ball rolling by saying the hurtful words

GAINFORD NEWS

again. You must not be afraid to take this first step. Everybody isn't staring at you, you just feel as if they are and this comes from self-consciousness because of the teasing you've had to bear. You'll be starting back to school this month. In that classroom there will be others who feel just as strange and afraid as you do at this very moment. You both need each other. So venture out, as I've suggested and write me again as to how things go. Buy a copy of "Facts of Life and Love for Teenagers" by Evelyn Duvall, and you'll find Dr. Duvall talks about this problem in very helpful ways.

Mrs. Klovansky was picked up by her daughter and son-in-law Mr. and Mrs. Pezzot of Vancouver to attend the wedding of Miss Linda Bien and Mr. Patrick Johnston, in Edmonton. The reception was held in Beverly Hall for six hundred guests.

Mrs. Klovansky hears by telephone from her friend, Mrs. Deising. She reported to me that Mrs. Deising is home from the hospital now, hopes to be able to stay alone. Mrs. Deising suffered from a broken hip so friends in Gainford district wish her well.

Sympathy is extended to the Kaminski family with the loss of their mother. Mr. Alex Holosney drove some of the friends of Mrs. Kaminski to her funeral. Mrs. Klovansky was one of them who went along.

Mrs. Ursel also had sadness in her family. The detective, Mr. Martin Ursel who was killed at the ninth street underpass in Edmonton a couple of weeks ago was a brother-in-law. And Mrs. Ursel's daughter, Mrs. Elenor Smiten of Edmonton is again in the hospital with another break to a leg.

Mr. and Mrs. Bob Senty of Red Deer visited Mrs. Linda Walaschuk and family. Mrs. Senty is Mrs. Walaschuk's sister. They

have just recently moved to Red Deer where he has become manager of Peoples Credit Jewelers.

Mrs. Art-Williams had a surprise visit of her sister and brother-in-law, Mr. and Mrs. Harry McCrae of Meadow Lake, Saskatchewan. Mr. McCrae is 83 years and she is 70 years, both well and capable of driving their own car to come and go as they please. They were here for three days so the sisters had time for a good visit.

Mr. and Mrs. Williams also had Eric and Theresa Moore of Edmonton for a visit at the weekend.

Mr. and Mrs. Herman Bauriss had her parents from Edmonton to visit them last weekend at their cabin in Gainford.

Beth Walaschuk received as a gift a horse she calls Frosty from aunt and uncle Mr. and Mrs. T. Reich. Frosty is out at the Reich farm at Tomahawk so Beth goes as often as she can to ride and enjoy her gift.

Meeting of the Order of the Royal Purple was held on Thursday, October 7th, fourteen ladies answered the roll call. Next meeting on Wednesday, October 20th and don't forget the Elks and Royal Purple regular bingo on October 13th and October 27th.

Mrs. John Dzus had a tupperware party on October 6th with eight ladies present to have an enjoyable afternoon.

At the Lawley household Sunday visitors were Mr. and Mrs. Robert Delmont from Chauvin, Alberta and Mr. and Mrs. Roland LeMoge from Vimy, Alberta.

Mrs. Eva Lawley demonstrated and sold Artex decorator paints to a interested group of ladies at the home of Mrs. Dorothy McWillis in Magnolia district on Thursday afternoon.

EVANSBURG AREA NEWS

Evansburg Kinsman Host Fall Meeting

The Evansburg Kinsmen Club hosted the annual fall meeting of Zone 7 of the Association of Kinsmen Clubs of Alberta. The local club also hosted the fall golf tournament for Zone 7.

A total of sixty Kinsmen and Kinettes took part in the weekend of activities. Kinsmen clubs visiting Evansburg for the Fall Zone Meeting and Golf Tournament were Edson, Hinton, Grande Cache, Whitecourt, and Mayerthorpe. Also visiting Evansburg were Governor Bill Stutchbury of Barhead representing all Kinsmen Clubs in Alberta and Deputy District Governor Dick Topotts of Hinton representing all Kinsmen clubs in Zone 7.

Although the Evansburg Kinsmen Club is one of the smaller clubs in the zone they proved to be very capable of providing the facilities and preparations for both the business and social activities of the weekend. The Evansburg Kinsmen Club provided an innovation for this year's Fall Zone Meeting by making it a mixed event with the Kinettes from all the other clubs in the zone being invited to attend.

It would not have been possible for the Evansburg Kinsmen Club to host the Fall Zone Meeting and

Golf Tournament without the support of other organizations and individuals in the community. The Kinsmen appreciate this support and would like to extend a very sincere Thank You to the Kinettes Club of Evansburg, The Evansburg Branch of the Canadian Legion, Legion Ladies Auxiliary, The Evansburg Chamber of Commerce and Agriculture, and The Evansburg Golf Club for their assistance in making the weekend a success. The Kinsmen Club would also like to express their thanks to local Kinsmen golfers Gordon Langford, Fred Soliski and Arnold Bucholtz for bringing the trophies home to Evansburg.

The Flea Market which was to have been in Evansburg on October 9th was cancelled due to an insufficient number of stalls being rented. The Evansburg Kinsmen wish to thank those who made plans to participate. The Club still feels that a Flea Market in Evansburg could be a useful and entertaining event. The Flea Market will be given further consideration in the future.

Two Re-elected At Evansburg

At the October 13th election, Councilman Carl Bjornstad and Mayor Guy Dompnier were re-elected. Newcomers are Mike Hotra, Fred Ledinski and Peter Pawliw. Returning officer, Mrs. Bernice Beach stated the voting was fairly steady throughout the day. 153 persons cast their votes as follows; Mike Hotra 126; Guy Dompnier, 93; Peter Pawliw, 92; Fred Ledinski, 77; Carl Bjornstad, 69; Fred Soliski, 69, (here a draw had to be made to break the tie); Fred Croft, 64; John Keast, 64; and Dale Law 34.

COMING EVENTS AT EVANSBURG

Evansburg Chamber of Commerce and Agriculture will hold their monthly meeting October 25th in the Legion Hall 8:00 p.m. Guest speaker, Mr. Pete Trynchy our new M.L.A. of Mayerthorpe. Everyone welcome.

United Church Women will hold a Rummage Sale and Tea on October 23rd from 10:00 a.m. to 5:00 p.m. in the basement of the United Church.

4-H Banquet and Dance will be held in the Legion Hall in Evansburg on October 22nd.

EVANSBURG NEWS

United Church Setting For September Ceremony

A lovely fall wedding was solemnized at the United Church on Saturday, September 4th, 1971 when Dianne Lynn, second daughter of Mr. and Mrs. Ira Haight of Berrymoor became the bride of Brian Daniel Shea, eldest son of Mr. and Mrs. Daniel Shea of Three Hills, Alberta.

Reverend Oldring officiated at the double ring ceremony.

The bride entered the church on the arm of her father. She wore a floor length gown of white polyester with full lace covered train. The empire bodice was lace covered with full length wide lace sleeves. Her bouquet was a beribboned orchid with traditional white bible. The full-length tiered veil was held in place by a pearly headcap. Her only jewellery was a pearl necklace.

Preceding the bride down the aisle and wearing full-length mauve gowns trimmed in white lace were her sister, Lana and Martijo Lysek, cousin of the groom, as flowergirls. Her brother Larry, and Danny Lysek, cousin of the groom as ring bearers carrying white satin cushions.

Attending the bride were her sisters, Donna Haight and Darlyne Gavigan and sister-in-law Caroline Haight with matron of honor, Maureen Lysek, aunt of the groom. They were identical full length gowns of deep purple polyester, empire waist with delicate silver chain belts and wide full length sleeves. Their bouquets were white daffodils.

Attending the groom in dark tuxedos were his brother Robert as best man, friend Jerry and Daryl Fletcher all of Three Hills

and Dennis Haight, brother of the bride from Berrymoor.

Ushers were Darrell Haight, brother of the bride from Drayton Valley and Darryl Gregarosh, friend of the groom from Edmonton. Appropriate music was played by Mrs. Pickup.

Following the ceremony, a reception and dance was held in the Elks Hall. Jerry Davidson, uncle of the groom capably handled the duties of Master of Ceremonies. The toast to the bride was given by her uncle, Walter Joneson. The toast to the bridesmaids was given by Robert Shea.

The bride chose a red and white hot pant outfit as her going away dress.

The bride's mother wore a cream jump-suit and vest trimmed in gold with gold accessories and a yellow orchid.

The groom's mother looked lovely in a hot pink frock dress with three-quarter length sleeves, dark accessories and white orchid.

Many out of town guests attended including the groom's grandparents, Mr. and Mrs. Davidson from Saskatoon. Others were from Edmonton, Peace River, Calmar, Wetaskiwin, Breton, Calgary, Three Hills and Lodgepole.

The happy couple left for Edmonton and then to Saskatoon where the groom is presently employed.

A little league basketball program will operate again this winter. This calibre of basketball, popular in Calgary and Edmonton during the past few years, got its start here last year and the sport enjoyed a very successful season. The program sponsored by the Drayton Valley Athletic Association will be carried out on an improved scale this year with emphasis on strengthening the weaker points of the 1970-71 season.

All practice sessions and games will be held in the Junior High School Gymnasium. The opening practice will be held on Saturday, October 30, from 9:00 a.m. to 1:00 p.m. Further practice sessions will be held on November 6 and 13. At this time a four-team community league will be formed and league play will start on Saturday, November 20 and continue each Saturday morning until December 18, 1971. After a recess for the Christmas Holidays the schedule will resume on January 8, 1972 and run weekly through March 25 including the post schedule playoffs.

Alan Day is the Little League Basketball program chairman. Mr. Day has laid the program plans to date and is busy finalizing the details. The one thing Mr. Day will need to successfully carry out this program is help. Coaches will be required, at least a couple for every one of the four teams. Also if the games are going to be enjoyable and rewarding to participate in good officiating is a must. So Mr. Day will require a number of good dependable officials. Also a tournament is being planned for later on in the winter and many hands will be required to make this a success. If you would like to coach this level of basketball, or are inclined to help out with the officiating or feel that you could offer assistance with this program in any other way get in touch with Mr. Day at 542-4321

call the Recreation office at 542-3440 for further information.

This level of basketball is for boys 10 to 13 years of age. To be eligible a boy must have reached his tenth birthday prior to January 1, 1972 and must not have reached his fourteenth year prior to that date. In extreme cases height and weight may be taken into consideration at the discretion of the Little League Basketball Committee.

As in the case of our Little Canadian Football program, the regular rules of the game of basketball have been modified in some instances to accommodate boys of this age group. Uniforms for the four teams have been furnished by the Drayton Valley Athletic

Association.

One point that must be made clear at this time is that this program is in no way meant to interfere with the Minor Hockey Program rather it has been established to compliment the overall recreation program. The aim here is to offer a basketball program for boys who desire to play the sport and who possibly are not involved in other winter programs.

Starting Wednesday, October 20th, registration forms for Little League Basketball will be available at the Recreation Office. The registration fee is \$2.00. The only equipment required is a pair of some type of running shoes. See you on the basketball court.

Church in Evansburg. The reception and dance was held in the Community Hall in Wildwood. Next day in the same hall a party was held and the bride and groom opened their wedding presents.

Mr. and Mrs. Fred Fausak and family were in Edmonton Sunday to visit their daughters and attend the christening of their grandson, Paul.

Miss Kirby Stewart was home for a brief visit before leaving for Europe with her grandparents. They are currently visiting in Switzerland.

Miss Cecile Fausak of Edmonton and Mr. Foy Fausak of Winnipeg were home over the long weekend. Also visiting at the Fausak home were Mr. and Mrs. Walter Dorin and family of Edmonton; Mr. Rick Willie of Edmonton; and Mr. W. Allan of Chip Lake.

The Gay Gatherers and the F.C.C. held a joint meeting on Wednesday night in the hall. Many items of business pertaining to the operating of the hall came under discussion. It was decided that Edward Greenwood would trade in one of the stoves and another one he purchased from Pete Prylowski. The hall piano is also for sale. Pete Prylowski has welded the railing on the cement steps which were donated by Kurt Fausak.

Mr. Pat Gronlund and Miss Cindy Udchitz celebrated their engagement with a party recently. Another happy couple announcing their engagement are Miss Irene Mortinson and Mr. David Stewart. The third couple we wish to congratulate on their engagement are Miss Marjory Rosadiuk and Mr. Jerry Weigle.

Mr. and Mrs. Ronnie Weigle and Mr. and Mrs. M Oleksieu were visiting at the home of their parents.

The Park Court Hall was jammed on Friday night when a large crowd gathered to attend the wedding dance of Stetka Mattice and John Wilson, both formerly of this district. A lovely evening was enjoyed by all and the happy couple were presented with many gifts and well wishes from their family and friends. They will reside in Evansburg. The Law Orchestra of Evansburg supplied the music for the evening.

Return Two Councillors At Entwistle

A better than average turn out of voters cast ballots in the October 13th election which saw two councillors returned to office, Forrest W. Bancroft and Clarence Willoughby, and one new member, Norman J. Sinclair, elected.

Forrest Bancroft received ninety-nine votes, Clarence Willoughby was second with a total of eighty-one cast in his favor and was followed by Norman J. Sinclair who received sixty-one votes. Mrs. Margaret Swinnerton followed closely with fifty-five votes and John Blades received thirty-three votes.

Mrs. Amelia Clark was elected as School Board Representative with a total of 66 votes, a majority of ten over her only opponent Donald Gylander who received 56 votes.

The first meeting of the new Council was held in the Village Office, Monday evening October 25th.

Stampeders Win Football Trophy

The Stampeders beat out the Eskimos 44-24 in a two-game total point final series to win the Forster Trophy emblematic of the Drayton Valley Little Canadian Football championship. The Stampeders won the first game 22-6 on Thursday, October 7, and took the final game on Tuesday, October 12 by a 22-18 score. The final was an excellent game featuring some of the best football played all season by both

teams. Stampeders quarterback and captain, Don McRae led the team with a strong running game and some fine passing. The Eskimos made a strong comeback on Tuesday evening but it was too little and too late to halt the Red Raiders in their relentless drive to victory.

Leading up to the final series the Eskimos defeated the Blue Bombers 26-7 in a two game total point affair. The Eskimos won the first game 20-7 and took the second 6-0 to qualify for the final against the Stampeders. The Stampeders finished the regular schedule in first place followed by the Eskimos and the Bombers.

The final game closed out one of the finest football seasons ever in Drayton Valley. The calibre of leadership was excellent and consequently the brand of play on the field was superior to other years. The general support of the program was also far above other

seasons. Finally the officiating was consistently taken care of by a group of dedicated men over the twelve game schedule.

The close-out banquet for the Little Canadian Football season is set for Thursday, November 4, at the Elks Hall starting at 6:00 p.m.

**REMEDIAL CLASSROOM INSTRUCTION FOR
STONY PLAIN JUNIOR HIGH SCHOOL STUDENTS**

Two remedial programs are being implemented at Stony Plain Junior High School in order to provide assistance to students, who through some learning difficulty or disability, have fallen behind in reading and arithmetic.

Much information, in the past few years in education, has been made available regarding the teaching of the "hard to reach" and those with a learning disability. The public has been informed of late of those children with certain handicaps such as; a perceptual one which causes a specific learning disability, a bad habit formed through conditioning, or what is commonly termed a developmental lag in some children's ability to learn to read or develop number skills. The Parkland Association for Learning Disabilities has had much influence on the need for such students to be educated and has encouraged school boards to undertake such programs so as to allow these students the opportunity to gain the necessary skills in order to reach an adequate educational level.

Usually students displaying some form of disability are not dull witted nor subnormal in intellect but of average or higher intelligence, however, many require special assistance in order to overcome their handicap. Sometimes these students have directional problems and reverse or rotate letters and words, or they might have transfer problems in getting down work from the blackboard to their workbook. This is often due to a perceptual handicap caused by some weakness through bad habit which they become conditioned to and find it difficult to overcome without the necessary remediation. Also, many cases occur where the student is hyperactive in terms of behavior and not able to settle down to one thing long enough to allow the concentration span necessary for an understanding to be gained of the subject matter at hand.

Authorities generally agree that the most important part of any school program - no matter what kind of curriculum, facilities, or expensive gadgets - is the classroom teacher in a remedial program or regular instructional offering of any kind. Although the etiology for the disability of a certain student may have been determined the teacher has to properly diagnose and offer the appropriate remedial assistance so that the student can cope with the difficulty. Through the efforts of remedial teachers, Mrs. Maxine Smith and Mr. Dave Wagstaff, it is hoped that many students can be brought up to a higher level of achievement more in line with expectations set for them as ability level is generally good.

In the past, much attention has been devoted to the vocational and remedial student at the Stony Plain Junior High School through a vocational and remedial offering at this level, however, as of this year those students who were more vocationally inclined have gained entrance and therefore placement in the Edmonton system which has excellent facilities at the grade nine and senior high school level which offers these youngsters a program facilitating their needs. Nine Stony Plain vocational students have been placed in the first year vocational high school program at McKay Avenue and two at W.P. Wagner as of this year. The County of Parkland provides payment of the non-resident tuition fee and a boarding allowance to these students who have been recommended for this program. In this way the needs of these youngsters can be adequately facilitated and be allowed a high grade educational experience at every level. Such an educational experience could not be gained where the population is not great enough to offer such scope or magnitude in a vocational offering.

It has been pointed out by education researchers that masses of students are coming out of public schools, often unable to function effectively because of reading deficiencies. Also many students are not able to function effectively while in school and drop out prematurely because of a certain handicap, therefore curtailing their educational future. Studies made in large school systems point out that up to five per cent of the school's population could have severe reading disability requiring technical diagnosis and treatment in a reading clinic setting. Learning disability authorities point out that eight of every one hundred sixty children who enter the nations schools each year are handicapped by a severe learning disability. By that it is meant they have the capacity to learn but for one reason or another, one or more of their channels for learning is blocked. The per cent figure varies from authority to authority mainly because of different interpretations of the word severe. Some experts say one per cent, others say twenty. Whomever you believe, here is a plain fact, many children are identified in a school to be destined - quite needlessly - to become educational discards unless the disability is identified and pains are taken to properly remediate together with parents help in this matter.

It is encouraged that the parents realizing their child has some difficulty refer to the teacher for suggestions on how they can assist their child correct his problem. Some of the symptoms of those with learning difficulties or disabilities are the following: hyperactivity, perceptual motor impairments (poor hand to eye co-ordination or the child does not connect with what he reaches for), emotional liability, general co-ordination deficits (awkward, clumsy), disorders of attention such as short attention span, easily distracted, impulsiveness, disorders of memory and thinking (makes inappropriate responses, thinking of something else and does not answer the question at hand), unable to organize thinking or draw the essential conclusions out of anything and slow to form concepts, specific learning disabilities which are relevant to reading, spelling, writing and arithmetic and disorders of speech and hearing (misarticulation, reversal such as a child who gets p b q mixed up, says 71 for 17, for example). These are the things you can observe if you are no more than a casual passer-by. As a school teacher they can identify and then through appropriate testing diagnose the ailment, hoping to correct such in order to recover that student and have him become functional and succeed in a regular classroom.

Generally these are the objectives of such a remedial setting as offered at the Stony Plain Junior High School. Students will be allowed to be in regular classrooms as much as possible, however, be taken out from time to time for the necessary remediation for any handicap that might be evident. It is hoped through this kind of program that students can succeed, gain some satisfaction from their school work and be education to a level to the satisfaction of both society and themselves.

N. W. McDowell,
Director of Special Education
And Counselling Services.

HOGS - Canada	191,594	Alberta	31,909	- 16.7%

Offerings on the Edmonton Public Stockyards were about normal despite the short holiday week. Approximately 78% of receipts were replacements with stock calves making up about one-half of the replacement volume. Trade was generally active throughout on most classes. Butcher steers and heifers were in low supply.

SLAUGHTER CATTLE AND CALVES

The few butcher steers represented continued to trade steady at a practical top of \$1.00. Butcher heifers were selling fully steady to last week's close with a few sales over 29.50 for choice kinds showing condition. Trading on butcher cows was somewhat uneven for the week with price fluctuations of 50 cents depending on demand and grades. Good conditioned dryfed cows closed to 22.50 with heifry hinds higher. Good bologna bulls were selling steady. Fat bulls were being sharply discounted. Veal calves were scarce with the odd sale to 39.00. Butcher calves continued steady.

REPLACEMENT CATTLE AND CALVES

The strong action this week was on yearling feeder steers in the 650-700 lb. range. A few packages sold high in the quotations with sales to 37.00. Stock calves were moving readily at firm prices to a good demand.

SHIPMENTS

Last week's shipments off the Edmonton Public Stockyards were: East - 109 slaughter, 228 feeders. West to B.C. - 110 slaughter. Export - 57 bulls. Feeders to other than local areas - 3,750 cattle and calves to central and southern Alberta.

Alberta Producing Special Export Beef

Alberta beef for a specialty market? What is involved? How does one find a market? And what could it mean to the cattle industry in Alberta?

These are some of the questions that University of Alberta and the Alberta Cattle Commission are attempting to answer in their research studies on producing Kobe-type beef for the Japanese market. As far as is known, this is the first project of its type to be initiated on the North American continent.

Kobe beef is produced in Japan by hand feeding two to three year old heifers and cows for 18 to 20 months on rice and barley. The average weight gain is 1.5 pounds per head per day. The beef is tender, and has a high degree of marbling and a liberal amount of intermuscular fat. This beef is considered a great delicacy in Japan and sells at prices that range as high as \$4.00 a pound.

The aim of the University of Alberta's project is to develop a market for heifers and young cows which are discounted in this country, and to provide the Alberta cattle industry with information on production and marketing costs involved in such an op-

eration. Canada Packers has undertaken to kill the cattle, ship the carcasses to Japan, collect marketing and price data and to arrange for the beef to be marketed.

The research studies are being carried out on 100 heifers and young cows from several breeds, which were supplied by the Alberta Cattle Commission. These animals are being fed at the University's beef cattle research station at Ellerslie, just south of Edmonton. The studies started early in June and are scheduled to end with the killing of the cattle in October. The exact date will depend upon available shipping space to Japan. Since this shipment will be a trial run, only 30 to 35 of the top carcasses will be shipped with the remainder being marketed in Canada. The Japanese meat trade will be responsible for distributing the beef.

According to Dr. A. D. Howes, University of Alberta's animal science nutritionist in charge of the research, the cattle are being fed two different rations. One contains the same level of energy as the average feedlot ration, while the other has a higher energy content. Results from the two rations will be evaluated at the end of the project. Dr. Howes says the main difference in the management of these cattle compared with the average feedlot operation is that detailed information is kept on each individual. It includes the animal's background, age, daily feed intake, liveweight gain at four week intervals and carcass analysis. This data, plus that collected on marketing costs and selling price by Canada Packers, will be compiled with analysis, and the results disseminated through the Alberta Cattle Commission to the cattle industry.

Dr. Howes reports that several Japanese food processors have already been to look at the cattle and that they have expressed a great deal of interest in the project. One even discussed the possibility of starting up a similar operation himself in Alberta.

Although it is still too early to predict with any accuracy what a market for specialty meat could mean to the cattle industry in this province, Dr. Howes is optimistic about the future.

LINDALE NEWS

The Thanksgiving weekend proved unkind to Ronny Anderson, who fell off a tractor and broke his collar bone.

The Hutchinson family, accompanied by Bert Flathers left on Saturday night for a small family re-union in Swift Current, Saskatchewan where relatives from Saskatchewan, Alberta and Ontario gathered for dinner on Sunday, October 10th.

Pearl Beckton was a visitor in the Lindale area, over the Thanksgiving weekend. She visited at the home of her brother, Bert Flathers, and with her sister, May Bijou.

Also visiting in the district were Vic and Jean Anderson, Bill and Ethel Graves and family, all of Edmonton.

Congratulations to Joe and Alice Olson on the birth of a baby girl recently.

Heavy Rabbit Damage Expected this Winter

Rabbit damage to trees and shrubs in Alberta is expected to be heavy again this winter. People in urban areas who live near a ravine or native bush area are advised to take precautions to protect their shrubs and ornamental, fruit and shelterbelt trees.

Dale Alsager, animal pest control specialist with the Alberta plant industry division, recommends the following procedure.

* Wrap the trunks and lower branches with burlap or plastic tree protectors when only a few trees are involved. These materials should reach at least four feet up the trunk to protect the tree in deep snow. Plastic tree protectors are fairly new and can be obtained from Timm Enterprises Ltd., 1599 Winston Churchill Blvd., Oakville, Ontario. They are very easy to put on the tree and cost about 16¢ each. Regardless of the type of wrapping used, remove it as soon as the snow goes in the spring to prevent mold and diseases developing.

* A fence of 36-inch poultry netting with 1½ inch mesh is recommended for protecting a small area of trees. Bury the bottom edge in the ground or cover it with soil to prevent the rabbits from digging underneath. If the snow gets very deep, another row of wire netting held in place with posts driven into the snow can be added.

* Long-lasting commercial repellents, such as Morton Chemi-

cal's Z.I.P. or Niagara Rodent Repellent, are probably the most practical form of rabbit control when a large number of trees are involved. They can be used either as a paint or as a spray. Research carried out in the United States indicates that a regular tree fertilizer or properly decomposed organic matter should be applied to the soil at the same time as the repellent to hasten its decomposition in the soil. Repellents, including home-made products, should be used in the late fall when the trees are dry and the temperature is still above freezing. Treat trunks and lower branches to a height of at least two feet above the maximum snow depth for the area.

An excellent home-made repellent can be made by mixing 1 part Arasan 42S (liquid) or Arasan 75 (wettable powder) with 10 parts, by weight, of water emulsifiable black asphalt. Another good home-made repellent consists of 1 part nicotine sulphate (blackleaf 40) and 2 or 3 tablespoonsful of a household detergent mixed with 10 parts as asphalt emulsion. Home-made repellents must always be strained before being put in a sprayer or the nozzles on the sprayer will become clogged. Thoroughly rinse the spraying apparatus after use with warm water followed by a solvent such as kerosene or var-

sol.

Everyone from flower growers to consumers would like to see cut flowers last longer. Roses, particularly, sometimes wilt prematurely when placed in vases in the home. Scientists at the Canada Agriculture Plant Research Institute in Ottawa recently developed a formula which will improve the water uptake of cut roses, thus extending their life, as well as retaining the color of particularly red roses, according to Dr. A. P. Chan, director of the institute. A patent has been applied for.

STARTING CATTLE ONFEED

Starting cattle on a high energy ration can sometimes be difficult and time consuming. Digestive disturbances and even death can result from poor management during this period.

Jerome Martin, animal nutritionist with the Alberta department of agriculture, outlines four methods of starting cattle on feed.

In the first, the cattle are given only hay for the first two or three days that they are in the feedlot. Then they are started on about two pounds of oats per head per day while continuing to receive hay free choice. The oat allowance is gradually increased until the cattle are eating all they want. It is extremely important that the grain ration be increased gradually because any change in the composition or amount of the ration can cause digestive disturbances. The cattle should be checked carefully to make sure they are all eating and that they are cleaning up all the grain at each feeding. Barley can be gradually substituted for oats once the animals are eating all the oats they want. Since barley contains a higher energy level than oats,

it will facilitate a higher rate of gain.

The second method entails giving the cattle about two pounds of barley per head per day and gradually increasing the amount until they are all on full feed. They should also receive free choice hay. Although this method is similar to the previous one, it may be somewhat more risky, especially for young animals, because barley has a higher energy level than oats.

A third starter ration calls for chopped roughage mixed with grain. The proportion of grain in the ration should be gradually increased and the proportion of roughage gradually decreased. Anyone using this method may find it difficult to keep the grain from settling out of the roughage.

The fourth method is to feed a commercial feedlot starter ration. With starter rations, cattle can be self-fed from the beginning of the feeding period and be on full-feed in eight to 10 days. The other three methods are all based upon gradually increasing the energy content of the ration, which means that it usually takes three to four weeks to get the cattle on full feed.

4. ADDITIONAL ALLOWANCES

4.1 In addition to the foregoing salary there shall be paid:

TEACHERS' REQUEST

- 4.1.1 Allowances in accordance with the following schedule:
- Supervisors** - \$160

TEACHERS' REQUEST

8. SUBSTITUTE TEACHERS - (EFFECTIVE DATE OF RATIFICATION)
 8.1 A substitute teacher means a teacher employed on a day to day basis.
 8.2 For the first three days of substitute service in each instance, payment will be according to the following schedule:
 - 1970-71 school year \$26 per diem including holiday pay.
 - effective the first day of the school year 1971-72 and thereafter, \$27 per diem.

TEACHERS' REQUEST

- 8.2.1 Commencing the fourth day and thereafter in each instance, payment shall be as per grid placement.

Vice-Principals

- 10.1 No teacher designated as Vice-Principal at the time of signing this agreement shall have that designation terminated by reason of a Member Board's decision to eliminate the position.

- 11.6 A Member Board shall pay 50 percent of teacher's premiums payable for Alberta Health Care Insurance, effective January 1st, 1971. This clause shall apply to the basic plan and the drug option only.

- 11.7 A Member Board shall pay 50 percent of teacher's premiums payable for benefits under provisions of the Alberta School Employee Benefit Plan. All teachers appointed to the staff effective September 1st, 1971 and thereafter, as well as those who have previously joined the plan as a condition of employment, shall be members of the ASEBP as a condition of employment provided enrolment is sufficient for implementation of the Plan.

- 13.2 A teacher who, despite reasonable effort, is unable to travel to his school from his usual place of residence because of
 (a) inclement weather
 (b) impassable road conditions
 (c) the failure of transportation facilities other than his own

is entitled to his salary for the periods of absence so occasioned.

TEACHERS' REQUEST

- 13.2.1 Notwithstanding Clause 13.2 a teacher is not entitled to the benefit of that clause if (a) his usual place of residence is outside the jurisdiction of the Member Board in which his school is located, and (b) he had not, before the circumstances giving rise to his absence arose, obtained the approval of a Member Board to his residence being so located.

- 13.4 Temporary leave of absence shall be granted for collective bargaining meetings with the Member Board or its representatives provided the Member Board is reimbursed by the Association for the full cost of a substitute if required.

The School Year

- 14.1 For purposes of this agreement a school year shall commence July 1st and shall end the following June 30th.

- 14.3 In any school year no teacher's services will be required before the last Monday in August.

- 14.4 The week following Easter Sunday will continue to be a vacation period.

Consultation

- 15.1 It is not the intention of the Member Boards to change any of the working conditions of teachers now in effect in their schools and not covered by this agreement. However, if any changes are deemed necessary they may be carried out only when prior consultation with the teachers has been made.

- 15.2 Such consultation shall be in writing and will be through the representatives of the teachers employed by the Member Board.

TEACHERS' REQUEST

- 15.3 The teachers shall, through their representatives, make such representations as they wish concerning the proposed changes within three calendar weeks of receipt of such written notice.

Stenographic and Clerical Assistance

- 16.1 Each school will have stenographic and clerical assistance as required. Requests for such assistance will be made to Member Boards through the administration of the school.

N.C.A.S.A.A. OFFERSUBSTITUTE TEACHERS - (EFFECTIVE DATE OF RATIFICATION)

- A substitute teacher means a teacher employed on a day to day basis.

For the first ten days of substitute service in each instance payment will be according to the following schedule:

- \$26.00 per diem including holiday pay for teachers with 4 or more years of training.
- \$22.00 per diem including holiday pay for teachers with less than 4 years of training.

N.C.A.S.A.A. OFFER

Rate of pay for a teacher employed on a substitute basis who fills the same teaching position for more than ten (10) consecutive school days, shall be paid effective the eleventh (11th) consecutive school day, according to placement on the salary grid subject to the terms of this agreement.

Vice-Principals

No teacher designated as Vice-Principal at the time of signing this agreement shall have that designation terminated by reason of a Member Board's decision to eliminate the position unless the Superintendent recommends an alternate administrative arrangement.

A Member Board shall pay 50 percent of the single rate of a teacher's premiums payable for Alberta Health Care Insurance, effective January 1st, 1971. This clause shall apply to the basic plan only.

A Member Board shall pay 50 percent of the single rate of teacher's premiums payable for benefits under provisions of the Alberta School Employee Benefit Plan. All teachers appointed to the staff effective September 1st, 1971 and thereafter, as well as those who have previously joined the plan as a condition of employment, shall be members of the ASEBP as a condition of employment is sufficient for implementation of the Plan.

The Member Boards do not think this clause should be in the agreement.

CARD OF THANKS

I would like to express my thanks and appreciation to the O.O.R.P., the Elks and my many friends for the flowers and cards I received during my stay in the Misericordia Hospital.
Vera Hazzard

We wish to extend our sincere thanks for the cards and kindnesses from our friends. Special thanks to the doctors and nurses who cared for us during our recent illnesses.
Fred and Adeline Duckett and Family

We wish to express our sincere thanks to Dr. David Lewis and hospital staff of Drayton Valley Hospital for their very kind care of our mother and grandmother during her stay in hospital.
Mr. and Mrs. Roy Prentice (Sr.) and Family

Thank you voters for your confidence and Canada Cities Service Ltd. for supplying the time for me to serve as a County School Committee Member.
Kees Krabbe

To all the residents of Evansburg who voted for me in the recent civic election, my sincere thanks I will continue to do my utmost to see that the ratepayer receives top value for his tax dollar.
Guy R. Dompnier

The Civilian Committee, Squadron Leaders and Air Cadets of the Drayton Valley Squadron wish to say a big "Thank You" to the pilots John Bootsma, Bob Waddel, Roy Burrows, and Alex Nekolaićuk for taking the cadets up on Sunday, the boys enjoyed it immensely.

IN MEMORIAM

In loving memory of our father Ludwig Sjerdal who passed away October 14, 1967.

It is just four years today Since our dear dad passed away. We remember him still. Lying in his bed so ill. But it was a sad day When our Lord took him away. Ever remembered by his daughters and son, Rachel, Lois, Esther and LeRoy.

McGINN - In loving memory of our dear son and brother, Roderick James, who passed away October 18, 1966. Days of sadness still come o'er us. Tears in silence often flow, For memory keeps you ever near us. Though you died five years ago. Ever remembered and sadly missed by his Mom, Dad, Lyle, DeLores and Family.
